Turn Your Most Difficult Tilling Jobs into Easy Productive Work. Light-weight for comfort, yet heavy-duty for performance, the ECHO TC-210i Tiller/Cultivator features ECHO's exclusive i-75™ system which reduces the required starting effort by 75%. This makes the TC-210i quite possibly the easiest to use of all your powered garden tools. Features include a 21.2 cc Power Boost Vortex™ engine with electronic ignition, quad port emission technology and a purge-pump-equipped carburetor for quick, dependable starts. A worm gear-type transmission provides high rpm and high tine torque for tough soil conditions. Four, 10-tooth tines dig furrows up to 9" wide and 6" deep. The TC-210i is also ideal for aerating soil and keeping your beds weed-free.

ECHO Quality Backed by an Extensive Warranty

5 year Consumer Warranty

ECHO's Tiller/Cultivator features a 5 year* consumer, 1 year commercial and 90 day rental warranty as well as a lifetime warranty on the tines and ignition module.
